Daily Find: Small Wonder Think-ets Travel Toys

cookie By Cookie Magazine, on Fri Mar 21, 2008 9:10am PDT

The onset of boredom [while on the road](#) is next to unavoidable -- and doesn't make the journey feel any shorter. Next time you find yourself in a mid-level panic over what to do with the kids, turn off the Game Boy and look to [Think-ets](#). The little mesh pouch holds a host of fantastical trinkets including a tiny building block, a horse, a silk flower, and twelve more to spark the imagination. Instructions for 10 different games come with the set, but these [intriguing little figures](#) may even [inspire them to create](#) their own.
