### Think-A-Lot Toys

**T**hink-ets, from Think-a-lot Toys, is a game that features an assortment of 15 collectible miniature trinkets that can be used to provide hours of entertainment. Using the tiny pieces, children, adults, and families can play games, such as What's Missing?, What's Your Story?, or What's Moved? Additionally, no two Think-ets games are the same so kids can collect all the playing pieces.
